Dear Santa:

I would like to come to the North Pole for a little chat with you, and see your reindeer and toy land and hear you tell about all of the wonderful little boys and girls you visit over the lands, but that is quite impossible, so the thought thrills me just to

know you are coming our way with the wonderful sleigh of toys. My brother and I share a set of trundle beds with headboard shelves. Please bring me a miniature Santa and reindeer sleigh. For my brother's shelf, he would like a ceramic elephant, also some paints and a picture of your

self to paint for our wall, so our room will look nice on Christmas morning. I hope you will bring Mamma and Daddy a new radio because I shut the refrigerator door too hard and our other one fell off and broke. My little sisters want Tiny Tears dolls and music boxes to lull them to sleep.

Please don't forget my little baby brother. He is one year old. He loves rocking horses. I would be very happy if you could bring him one. Fruitcake and punch will be waiting for you on the table and nearby will be a piece of my moulding clay. Hoping you will take time to press in your thumb so I can keep it for a souvenir to remember you by until next Christmas, which I pray we can enjoy in a world of peace.

Dear Santa:

Here is what I wish I could give to the world, a present that is very valuable. It is, PEACE. I know that some of the warring countries would want peace very much. I hope that soon this great gift will be given.

I also want to give presents to all my family, aunts, uncles, cousins, and friends that I could. I hope that everyone remembers what Christmas is really for, and have this spirit of giving. I know that your presents are very nice, but people should remember about Jesus and not just about presents. I am sure that you will agree with this.

Here is what I want for Christmas: a Big Sister doll, an American Kennel Club book, a ball, a new bathrobe. I haven't decided on anything else yet, but I probably will later on.

Have a Merry Christmas and a Happy New Year.

Love,
Kathy Lynn Herranen, 9

Dear Santa:

I am seven years old and I have been a pretty good boy this year, but I will be a better boy next year.

If you have enough of these toys to go around would you please try to come to my house on Christmas Eve. Don't forget my little sister, Cindy. She is a very good baby.

Here is what I would like: an army boat; a fire truck; a color book; an army truck.

Thank you, love

Dear Santa:

I'm nothing but a little girl. With nothing much to say But I want a present for Mom and Dad.

And something for myself if I may.

As for a present for my Mom

You don't really have to think

What she needs is a coat

It'd be nice if it were mink.

And Daddy dear, he wants a car

He wants a Cadillac

Have it trimmed in solid gold

And have the outside black.

I also have an older sister

Who has most everything

There's only one thing she really wants

And that's a diamond ring.

There Uncle Bob and Aunt Priscilla

They want a new gas range

You can't cook anything on theirs

Without it tasting strange.

Then there's Granny and Gramps

They're so old of age

Just give them a Bible

That isn't missing a page.

There is my teacher, Mr. Costa

He's so nice to me

Please dear Santa, if you can

Raise his salary.

Then there's our school custodian,

His name is Mr. Don

He wants a broom and mop

So the dust will all be gone.

And Santa dear, I want a horse

And saddle and bridle, too

That is all that's on my list

You know when this is due.

Love,
Kimiye Takeuchi, 13.

Dear Santa:

I am in the third grade at Crenshaw Elementary School. I am eight years old. I don't know what to ask for this year as my Mommy left me and my brother who is seven years old. She left us in October and my Daddy is sad this year. He works hard and I know he will get us something nice.

My Grandmother is looking after us now. She has been very kind to us. We moved here two years ago from Canada. We like it here very much. We all go to church every Sunday to pray for my Mommy. I wish all the sick to be well for Jesus' birthday.

Dear Santa:

I am Lynda Kennedy and live with my Mom and stay with my Grandmother before and after school. My Mother works at North American and leaves me and picks me up.

on the way home from work, so she won't be alone since Daddy went away last year.

In May, Mom was sick and had to stay home from work, then when she went back to work, the doctor said she would have to have her teeth out, so she did have them out, and she did not go back to get her new ones made, because she does not have the money for them.

I got eyeglasses and got my arm broken, but the doctor said he would take the cast off for Christmas. That will be my Christmas present. I would like to have Mom be able to get her teeth for Christmas. Can you help me?

I am nine years old and am in the fourth grade.

Have a nice Christmas.

Dear Santa Claus:

I am in first grade. I am five years old. I go to 223rd St. School. I like to have most of all some new clothes, and for my Mama and Daddy to have good health and get well so they could enjoy Christmas with us.

I pray to the Lord for my Mama's health. I pray that she will be well again and enjoy life like she used to.

May God bless her and Daddy with many more Christmases with my Sister and Brother.

Yours truly,
